GFOA Distinguished Budget Presentation Award

GOVERNMENT FINANCE OFFICERS ASSOCIATION

Distinguished Budget Presentation Award

PRESENTED TO

**City of Annapolis
Maryland**

For the Fiscal Year Beginning
July 1, 2001

Samuel A. Lewis
President

Jeffrey R. Egan
Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Annapolis, Maryland for its annual budget for the fiscal year beginning July 1, 2001. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

Acknowledgments

This document could not have been prepared without the cooperation, support and leadership of the Mayor, the City Council, the Finance Committee, and the Department Directors. The purpose of preparing a budget is to put forth the annual financial plan of the City to show what services it is providing to our citizens and how much it will cost to do so. Numerous individuals spend many hours developing goals, objectives and performance measures, and then correlating them with available resources. This is a difficult task since there is always an increased demand for City services in an era of decreasing revenues. The individuals listed below have played an integral part in the preparation of this document.
